FINDINGS OF FACT

1. Respondent, Jerzy W. Scibiorski, P.E., License No. GE 39240, is an engineer licensed in the State of New Jersey.

3. The Respondent submitted an Application for Reinstatement dated February 10, 2003. In Respondent's application, he admitted that he worked on various projects and practiced engineering without a license during the time his license was lapsed.

CONCLUSIONS OF LAW

c) Submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor or offered in mitigation of penalty.

4. Any submissions will be reviewed by the Board, and the Board will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through a supplemental submission during the thirty-day period, or if the Board is not persuaded that submitted materials merit further consideration, a Final Order of Discipline will be entered.

5. In the event that Respondent's submissions establish a need for further proceedings, including, but not limited to, an evidentiary hearing, Respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary findings of fact and conclusions of law contained

herein shall serve as notice of the factual and legal allegations
